House Velleron ref. 846V1354M - mandat n°806

ESTATE ASSUMED on 11/30/2023 We hereby ask you to find the estimate of your property, knowing that in the event of a mandate, the price remains at your discretion. The estimated property is a villa dating from the 70s. It is located on enclosed, wooded and maintained land of 2080m², registered AP168 located at 703 Chemin de Cambuisson, 84740 Velleron.

This single-storey house of approximately 70 m² of living space over crawl space consists of an entrance with cupboard of 2.43 m², a living room of 16 m², a kitchen of 11.9 m², 2 bedrooms of 11.88 and 11.94 m², an independent toilet, a bathroom of 5.85 m², a workshop of approximately 20m², and an independent garage of approximately 34m². A shell swimming pool is present on the land, but it is out of use. The water supply is by city water, however the sanitation system must be checked in order to confirm the connection to the sewer system and to rule out the use of a septic tank. Presence of a borehole for watering.

This property requires significant work to bring it up to technical standards (old joinery and single glazing, insulation to be redone, old oil boiler, septic tank not up to standard, etc.) as well as work to bring it up to date. This estimate is communicated to you in view of the geographical location, the current price of real estate, the condition of the property as well as a study of the properties currently for sale and sold in the area. Our estimate is between €250,000 and €280,000. We would be happy to take care of its sale and thank you for your welcome and the trust you have placed in us. Remaining at your disposal, receive our highest consideration. Kind regards, Bérengère PONS Real Estate Negotiator
